

AERO SUPPLY USA

Commercial & Defense Materials Support

Diversity Partnership Driving Supply Chain Solutions

Flexible manufacturing at scale for those seeking expertise and expanded capabilities in high reliability and mission critical products.

Strategic Partnership:

Aero Supply USA and Emerald EMS

Aero Supply USA, a distributor of commercial and military electronic components and aerospace hardware based in Clearwater, Florida, has teamed up with Emerald EMS in support and commitment to fostering economic development in Historically Underutilized Business Zones (HUBZone) and Diversity Small Business inclusion.

With value-added manufacturing resources (VAMR) and as a Minority Woman Owned, HUBZone Certified Small Business, Aero Supply USA has chosen to partner with Emerald EMS for its reputation for providing customers with world class service, engineering expertise, and flexible manufacturing capabilities through strong relationships with local partners and communities. This strategic partnership enables us to provide customers with enhanced capabilities, empowers small businesses, supports the growth of local communities, and contributes to an overall stronger U.S. economy.

Aero Supply USA's customers benefit from Emerald's exceptional customer service, quick turnaround times, and cost-effective solutions required for today's modern manufacturing challenges.
